

Grading and Clearing Cover Letter

1.) Applications are to be submitted at the City of Schertz Public Works customer service window.

City of Schertz - Public Works
10 Commercial Place Bld. #2
Schertz, TX 78154

2.) Applications will only be accepted if all items on the Grading and Clearing Permit Checklist located on the Permit application are included in the submittal.

These items are:

- Grading Plan – Existing & Proposed Contours with existing Floodplain/Floodway Limits (**UDC Article 13-Sec. 21.13.2**)
- Tree Survey – sealed by an arborist, engineer or surveyor.
- **Approved Tree Preservation/Mitigation Form.**
- Tree Preservation and/or Mitigation Plan.
- Storm Water Pollution Prevention Plan (**SWPPP**)
- Storm Water Management Concept Plan/Preliminary Drainage Plan – (**Article 13 of UDC and Chapter 4 of the Public Works Design Guide**) - **(Report & Checklist)**
- Completed Grading and Clearing Application Form-Including PDFs, one full size (24x36) and one half size (11x17), of: the Grading, Site Plan, and Tree Survey Removal Plan & SWPPP Plans. **Include a CD with all submitted documents in soft copy form.** Approved subdivision construction plans in lieu of separate submittal of Grading & Clearing checklist items.

3.) The applicant will be notified within 7 business days if any additional information will be needed for the review.

4.) Approved permits will be distributed at the Pre-Construction meeting. No permit will be issued until all required fees have been paid in full. One full size set of plans stamped “**Approved for Construction**” will accompany the permit. This set of plans shall remain on-site while work is being performed. The permit is non-transferable from one person to another and expires 6 months from the date of issuance. One extension may be applied for in writing prior to expiration of original permit, and approval shall be at the discretion of the City Engineer or his/her designee. This extension will be for one month from the date of expiration of the original permit. Permit renewal will be required after the expiration or extension of the permit. Renewal will require permit fee.

5.) The Pre-Construction meeting will occur following the approval of the C&G permit.

Pre-Construction meetings may be scheduled with:
Drainage Manager: Larry Busch, CFM, E.I.T. (210-619-1802)

larry.busch@schertz.com

Inspections may be scheduled with:
Eddie Diggs (210-619-1833)
